Tournament Organisers Report

This years event followed the format of the UK Masters to allow those yet to reach Master Bowmen a taste of what happens at the UK Masters.

Saturday comprised a 50m Ranking Round for the compounds and a 70m for recurves followed by an Olympic Head to Head round for the main four bowtypes.

Sunday a standard Ladies and Gents FITA.

Results for the event are based over performance for all three elements.

This was the 2nd Tournament to make use of an electronic leaderboard, accessible from any mobile device via Wi-Fi. The scoring team have made several changes since the first go at the UK Masters, and have many plans for improvements over the rest of the National Tournaments over this year.

If you have any suggestions for improvement, or just a view of how it went, please let us know

May I take this opportunity to thank all those involved for making this shoot a success.
