

INVITATION

2021 November 20 – 21

Alytus arena

Naujoji st. 52, Alytus

Archery club “Žaliasis lankas” invites everyone to the biggest international indoor archery tournament to be ever held in Lithuania – “Best Indoor” archery competition, which will be held in the largest sports venue in Alytus from 20th to 21st of November!

This year the competition is included in the WA calendar and like always we have prepared different activities, prizes and surprises, unique awards and not so unique, but we hope tempting money prize funds!

Divisions & Rounds

Divisions:

- Recurve Men & Women;
- Compound Men & Women;
- Barebow Men & Women;
- Longbow and Historical bow Men & Women.

Groups will be formed only if there are 8 or more participants in that group.

Rounds:

- Recurve: Qualification Round – 18m Round, Elimination Round – Recurve Indoor Match Round (18m);
- Compound: Qualification Round – 18m Round, Elimination Round – Compound Match Indoor Round (18m);
- Barebow, Longbow & Historical bow: Qualification Round – 18m Round, Elimination Round – Recurve Indoor Match Round (18m).

Only the top 32 archers will participate in the elimination rounds.

COVID – 19 information

All persons planning to attend the event must be either fully vaccinated or recovered.

Travellers to Lithuania will be required to complete an online registration form

(<https://keleviams.nvsc.lt/lt/form>) **no earlier than 48 hours before the start of the trip** and to show the confirmation (QR code) to the carrier when boarding the vehicle, or those travelling by their own transport will have to show it to the NPHC staff or other officers at the border checkpoint or passenger checkpoint.

“Best Indoor” competition participants will be required to have EU COVID certificate (vaccination or recovery).

The document is valid when any of the following conditions is met:

- two weeks have passed since the full vaccination with Comirnaty, Spikevax, Vaxzevria or Janssen;
- two weeks have passed after receiving the second dose according to the mixed vaccination schedule;
- 2 weeks have passed after receiving at least one dose if the person had COVID-19 (coronavirus) and the diagnosis was confirmed by a positive PCR test;
- after recovery from COVID-19, where the fact of contraction is confirmed by a positive PCR test done no more than 180 days ago;
- upon receiving a negative COVID-19 test result (no more than 72 hours must have passed after a negative PCR test, and 48 hours after the rapid antigen test) **(according to current restrictions for indoor events, this does not apply to foreign participants).**
