

27 – 29 November 2026

LSC sports complex „Druskininkai“

**M.K.Čiurlionio st. 115A, Druskininkai,
Lithuania**

Best Indoor is the largest international indoor archery competition in Lithuania and the Baltic States, bringing together competitive archers from across Europe for a weekend of high-level sport, great atmosphere and archery community.

In 2026, Best Indoor returns for its 13th edition, taking place on 27–29 November in Druskininkai, Lithuania, at the modern LSC Sports Complex “Druskininkai.”

Following a fully booked event last year, Best Indoor is growing once again. With an additional shooting session and expanded capacity, we are preparing to welcome more than 300 archers this year.

Competitors can look forward to challenging competition across four bow types, unique hand-made trophies, a money prize fund, valuable giveaways from leading archery brands, our special team competition and televised medal matches.

But Best Indoor is more than scores and medals. It is a place to compete, meet fellow archers, enjoy the sport and create great memories together.

We invite you and your club to join us in Druskininkai and become part of Best Indoor 2026!
